Deleted repeat bar 18

The image shows a musical score for a deleted repeat bar 18. It consists of a single staff with a treble clef. The staff is divided into two sections by a repeat sign (two vertical lines with dots). The first section contains two notes, both marked with a fermata. The second section is empty. Above the staff, there are two vertical lines, one on the left and one on the right, with a small upward-pointing tick mark on the right one. A small box containing the number '18' is located at the beginning of the staff.

1) I am not sure about this repeat. We can maybe skip this bar and its repeat.
