1) Bar line four notes later in orig.

2) 3rd fret on 3rd course in orig, but other two notes are indecipherable. This is my best guess.

3) 3rd course, 1st and third frets in orig, which is unplayable. Substituting 5th course, 2nd fret for 2nd course, 1st fret.

4) 2nd fret, 4th course in orig.
